

Cannasure Hires Kieran O'Rourke as Director of Underwriting

Cleveland, Ohio, January 25, 2018 – Cannasure Insurance Services (Cannasure), the premier cannabis insurance MGA and wholesale broker, announced today the hiring of Kieran O'Rourke to lead its MGA underwriting platform.

“With more than 20 years of underwriting and senior management experience in the P&C industry, Kieran is a talented and respected leader in the insurance industry. Kieran's depth of underwriting knowledge and experience will be instrumental as we continue to expand our development of proprietary programs that support the cannabis and hemp industry while maintaining a commitment to underwriting discipline and profit fundamentals,” said Patrick McManamon, CEO of Cannasure.

Kieran O'Rourke, Director of Underwriting, added, “Cannasure has always been forward thinking with respect to focused methods that meet today's customer expectations and requirements. I am excited to join Cannasure to help advance their MGA efforts and work with product, risk and distribution partners to continue to develop innovative underwriting strategies and product solutions for the cannabis industry.”

Prior to joining Cannasure, O'Rourke was Assistant Vice President of Property Underwriting of AmTrust Financial Services, Inc (AFSI). O'Rourke's career experience spans P&C underwriting, MGA underwriting for alternative energy products, alternative market product development, oversight of research and product development and directing regional commercial insurance sales for Cincinnati Insurance. At Cannasure, O'Rourke will manage the company's MGA division.

“After an exhaustive search to find the right person for the job, we are pleased to welcome Kieran to the Cannasure team. His knowledge, focus and discipline towards sustainable growth and profit makes him a strong addition to the Cannasure team. He will be very instrumental in our efforts to bring to market new products and programs in 2018 and beyond.” said McManamon.
