

CARGO

Cargo Legal Liability forms provide broad & flexible coverage to owners and carriers alike, for their interest and legal liability in the property of others while in transit. More specifically, we offer coverage for both Bailees and Owned Property in transit. Our in-house authority is \$250,000 limit but we can seek referrals and other Brokerage markets for higher limits.

Cargo Insurance provides coverage against the risks of direct physical loss to covered Property while in transit and loading/unloading. Coverage can be customized with coverage extensions that help pay for physical loss caused by spoilage or temperature changes while in transit or the care/custody/control of the vendor due to equipment breakdown.
